

When preparing draft proposals and proposals under the funding option Transfer HAW/FH PLUS, please note the **changes** in the guide for applicants and in the template for draft proposals effective as of 2 September 2022:

- use of the new template for CVs (DFG form 53.200) when submitting draft proposals (submissions as of 1 March 2023 at the latest)
- use of the template for draft proposals (version 09/22) taking into account the Guidelines for Preparing Publication Lists (DFG form 1.91), version 09/22 (for submission as of 1 March 2023 at the latest; for the interim period, the template version 04/22 and the DFG form 1.91 version 02/20 may be used)
- changed titles of calls for proposals for the submission of draft proposals and proposals via the elan portal
- When submitting proposals, please also note the changes of the DFG forms 54.01 and 53.01!
